**TroClose: FDA-Cleared and CE-Marked Lap Access-Closure System**

**Game-Changer in Laparoscopic Access**

- Suture
- Absorbable Anchor
- Bladeless Tip

“TroClose is a simple and effective device. Besides saving time in the OR, it will reduce inadvertent injury,” says Barry Salky, MD, Professor Emeritus of Surgery and founder of the Division of Laparoscopic Surgery, Mount Sinai Hospital, New York City.

**>2000 Surgeries, Excellent Feedback**

Rated by surgeons 9.2 out of 10*

**Europe:** IRCAD (France), Germany, Spain, Sweden, Italy, UK, Greece, Turkey, Cyprus

**United States:** >10 different hospitals, including Montefiore, Mount Sinai, New York Presbyterian, Weill/Cornell (all in New York), Cleveland Clinic (Ohio, Florida), Jackson Memorial (Florida), and others.

**Mexico and Panama**
